## **RULES PERTAINING TO EVENTS FOR THE 2010 CONVENTION**

1. (a) Please ensure that you register with the Marshalls before each event. This year Charles, VK5HD will be the Senior Marshal.  
  
(b) All vehicles will be marshalled at the location and time listed on the program. Grid positions will be drawn from a hat prior to the events commencement.  
  
(c) Don't forget you must pay your entry fee for each event prior to its commencement. The entry fee depends on the event. Please see the updated program for details.  
  
(d) Each team will be allocated a plastic, pin on, Team Callsign Identifying Label which must be shown to all Foxes.  
  
(e) All events will start on time. No exceptions will be made, so be ready.
2. (a) For SERG run events requiring participants to find a hidden transmitter ie. Fox Hunts, Sniffer Hunts and the Hidden Transmitter event, the following rules apply :-
  1. Entries will be on a one person per vehicle basis. Should it be necessary to leave the vehicle, only one set of D.F equipment is permitted amongst the group from that vehicle.  
N.B. This includes foil under T-Shirts and handhelds or any other ingenious methods.
  2. Pooling of resources from 2 or more vehicles under the one callsign is not permitted. In these cases a separate entry is expected.
  3. The above rules also apply to pedestrian events such as our Sniffer Hunts.
  4. The person finding a hidden transmitter must be carrying that groups D.F. equipment and the Team Callsign Entry Badge Ticket.
  5. Remember Winning is nice but Sportsmanship is better.  
(b) Where an event is conducted by another group, a special rule or rules may apply and be provided by this group.
3. \*\*\* Please Note \*\*\* One Entry Name Badge will be given to each team when they enter their first event. This badge MUST BE presented to every FOX you locate. It will be returned to you immediately after the Fox has registered your details, so that you may then either continue to the next leg or return to the marshalling point for the next event. These badges have safety pins on them so you won't lose them. Remember No badge No points.
4. \*\*\* Please Note \*\*\* We may use part of Victoria for Fox Hunting as well as SA. During an event if the Fox is over the border, don't expect a mobile 3 on the end of their Callsign. Once the event is concluded, if the Fox is over the border they will use this with the Callsign.

PLEASE OBSERVE ALL STATE ROAD LAWS. SPEEDING AND RECKLESS DRIVING ARE STRICTLY FORBIDDEN AND WILL ONLY BRING UNWANTED ATTENTION TO OUR ACTIVITIES AND WILL MOST LIKELY CAUSE THE OFFENDER TO BE DISQUALIFIED.

NOTE THE HIGHWAY SPEED IS 100 KPH UNLESS OTHERWISE POSTED.

REMEMBER 50KPH THROUGHOUT ALL SOUTH AUSTRALIAN TOWNS UNLESS OTHERWISE POSTED.
