General Business:

VK5NC Trevor has made rotator mount for tower.

2 lengths of 1 and a half Inch water pipe required for the tower and rotator.

VK5ZGY Greg will arrange the control cable for the rotator.

We will have to arrange a different crane company to install antenna's as Nick's Cranes have returned to Adelaide.

Power points have been fitted to the clubrooms.

Discussion on this years convention-

VK5HDW David is the coordinator.

VK5KJ Kevin is happy to run the kitchen again.

VK5ZX Wayne will speak to VK5HDW David to start organising advertising.

VK5EE Tom and VK5ZX Wayne had another search for an E.P.I.R.B.

This one was found in a shed at Carpenters Rocks.
